

Protect Yourself and Your Loved Ones

COVID-19 Fact Sheet

The best way for you to protect yourself and your loved ones from COVID-19 is to get the updated bivalent vaccine or booster

Wearing a mask does not replace COVID-19 preventative message measures like vaccination, isolation when positive, testing when exposed, hand-washing, and physical distancing to reduce the spread of COVID-19.

The virus STILL spreads by breathing in air that carries the COVID-19 virus, especially when in poorly ventilated spaces.

People living in the Virgin Islands can protect themselves and their families and friends by getting the updated by valent covid19 vaccine or booster shot

If you plan to participate in Mass Gathering events consider wearing a mask for added protection and get tested after the event

Free COVID-19 testing available at Department of Health –(340) 712-6299 (St. Croix) and (340) 776-1519 (St. Thomas) or online

Vaccine appointments at Charles Howard at (340) 244-0016.

Don't put your guard down, protect yourself and your family with updated bivalent vaccine or booster shot!

PODER en SALUD is a national project of PROCEED, Inc., that is 100% supported under BBHLCC To Respond To COVID-19 which is supported by the Centers for Disease Control and Prevention (CDC) of the U.S. Department of Health and Human Services (HHS) under CDC/HHS as part of a financial assistance award totaling \$2,300,000 with 100% funded by CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement by, CDC/HHS, or the U.S. Government.
